

MK City Volleyball Club

Code of Conduct

All players, coaches and parents associated with MK City Volleyball Club will conduct themselves in the following manner:

Supportive: Volleyball is a team sport and working together is paramount to success. Mistakes will happen on the court just as they do in life—be sure to encourage and support one another.

Respectful: Players, opponents, coaches and officials will be treated with respect at all times.

Positive: Sport is much more enjoyable when it is fun for everyone! MK City Volleyball Club promotes a positive and friendly environment for our players and families.

Kind: Being nice to one another is paramount to enjoyment and success--mean or menacing behaviour (including bullying, teasing and unsporting conduct) will not be tolerated.
